Subject: India Harvest Dec 2017

Dear Brother Larry - Greetings in the name of our Lord and savior Jesus Christ. I wanted to send you a report of how things are with us here in India.

This year has gone by very fast and has been very good with us here. God has blessed us to reach out through our mass-media and through our printing media we got 47,000 (Jan 1st till Dec 2017) to our basic Bible course which we do in Telugu and Oriya language this year. We got a minimum of 1000 involved through our TV out-reach which goes to 6 different states. Every day we send 40 Bible to those who have finished our basic bible course. Every month 12,000 souls are reached in Telugu language and in Oriya 4,500 (In India we have 29 different states and each state has different language).

We established 46 new village congregations this year by the grace of God. Thank you for your prayer and support of what we have been doing from Kakinada. Thank you for your continual prayers and for your support to us.

We had 147 baptisms in the 316 villages we get to work with the preachers this year.

I am attaching a pdf so that you all could see and please share this with everyone there at church. Hope everything is going good with you all there in Alabama in Rogersville.

Much love from all of us.

In Him,

Ricky, Sudeepa, Justin and Rosie
