Dear Brothers and Sisters,

Since writing to you in July about the need to build our new training **center** in Seoul, we have received or have been promised \$84,800. The complete plans for the building and removing the two houses on the property have been approved. One of the tenants has moved out; the other one should be out in March.

The architect's rendering I'm attaching should give you an idea of what the building will look like:

- First Floor – Classroom, office, and baptistry
- Second Floor – Classroom, Office, and Conference room
- Third Floor – Six sleeping rooms – 2 large and 4 small rooms with bathrooms and showers for visiting teachers and students who come from long distances.
- Fourth Floor - Lunch/fellowship room and kitchen with outside porch.

To say the least, we are very excited to be able to begin building after 50 years of using other people's buildings! More than two-thirds of the funds have been donated from South Korea.

Any help towards the \$100,000 still needed would be greatly appreciated. If it's the Lord's will and all who have supported this work over the years will help, I believe we can make it.

I'll be leaving for Korea on January 7th for the annual two-week BCC Winter Training School. It's hard to believe it's been 50 years since the first one began in 1968!

David South, former teacher at Freed-Hardeman, who preaches for the Woodland Hills Church in Memphis and **Brandi Kendall, Dean** of Ministry Training-Asia from Sunset (SIBI) will be teaching.

Please pray for our safety and success for the kingdom.

Thank you for your continued support of this work.

With Deepest Christian Love,

Bill Ramsay
