When this became to the Jews and Greeks living in Ephesus, they were all seized with fear, and the name of Jesus was held in high honor. Many of those who believed now came and openly confess what they had done. A number who had practiced sorcery brought their scrolls together and burned them publicly. When they calculated the value of the scrolls, the total came to fifty thousand drachmas. In this way the word of the Lord spread widely and grew in power (Acts 19.17-20).

Some Jews tried to call on the name of Jesus to command evil spirits out of people and the spirits overpowered them because they were not real believers. That is the setting to the passage above. When people heard of that, those who had practiced sorcery were not committed to burning their books, indicating a decisive change of life.

This is an example of what we will be talking about this morning in the lesson. Don't underestimate the power of the gospel to change the lives of men. We bring glory to God through the church!

## Inner City Mission

A stateside mission effort to Inner City Church in Nashville is planned for June 20-26. We plan to work with young children and families and hold a VBS each afternoon. This is intended for adults, college age, TEENS, and anyone else who would like to take part. A signup sheet is located on the education wing table and additional information is on the bulletin board.

## New Website

We have been working to revamp our website in order to make it easier for you to obtain information and for us to communicate with you. The website address is still rogersvillecoc.org but there is a new layout and new functionality available. One of the new features on the website is an online giving option at the top of the website. Just click on that option and it will walk you thru the process for submitting your contribution electronically. The company that handles the online giving is called Tithe.ly and they also offer an app you can download to your smartphone if you want to use that method instead. Another new functionality with the website is the ability to communicate via text so if you did not get a text this week about services, please contact the church office or email Kim. The website is still a work in process but it will be a great tool and source of information for everyone once it is completed.

### From North Alabama Christian Children's Home

NACCH IS glad to announce that our recent trail ride and auction went over \$50,000 for the first time ever. Thank you to all who prayed and participated in any way, God blessed us with superb weather that day and His timing was perfect in regards to recent Corona events.

We have an immediate need for 2 sets of faithful Christian house parents for the two girls' homes on campus. Additionally, we will be looking for part time maintenance and/or a yard person to help us maintain things on campus and do the yard work. These are 2 part time positions but the house parent work is fulltime. To learn more, call Don Williams, Director of NACCH or Melinda Jackson, social worker. Everyone stay safe in these trying times.
