

# Hope to the Hopeless

Rogersville church of Christ (July 5, 2020 - Sunday AM)

## Introduction:

Ephesians 1:15-23 – Having hope changes everything/Knowing hope changes everything

**Text:** Mark 5:24b-34 & Luke 8:42b-48

## How must this woman have felt?

- 1) Sick of her isolation...
- 2) Sick of her situation...
- 3) Like her problems are not worthy of Jesus' time or attention...
- 4) Like Jesus could help, but could not get past feeling like she was not worth it...

## How did Jesus respond?

- 1) She is healed immediately...
- 2) Jesus knew what had happened...
- 3) After unloading her story, her feelings, her experiences, her weakness – Jesus heals her again (physically, emotionally, mentally, spiritually) – Mark 5:34

**Application:** Isolation, bad situations, illnesses, etc can try and steal our hope...

Jesus provides healing and hope to all who come to the Father through Him...
