"If you can trust God to save you for eternity, you can trust Him to lead you for a lifetime."
-- David Platt

There are very few absolute certainties in life. Some are simply matters of happenstance - for example, when anyone sees a newborn baby they will state "How cute!" - but there are precious few things in life that you can absolutely put all of your trust in. As a matter of fact, there really is only one that you can put every last percentage point of trust in. That is, of course, God Almighty. Today we are going to look at two lessons centered around our incredible, wonderful, reliable, trustworthy, faithful God and I hope that you will leave our studies with a deeper appreciation and love for the God who never fails.

"His divine power has granted to us all things that pertain to life and godliness, through the knowledge of him who called us to his own glory and excellence, by which he has granted to us his precious and very great promises, so that through them you may become partakers of the divine nature, having escaped from the corruption that is in the world because of sinful desire." - 2 Peter 1:3-4

Thank God for His precious and very great promises.

Scott
