Chris Miller - Religious Differences

## Discussion Questions

- 1. Do you have friends/family that have different religious beliefs than you?**
- 2. Does it matter if we agree or disagree on religious things? Why or why not?**
- 3. Are there things that cannot be up for debate? What are those things?**
- 4. Read Ephesians 4:1-16. How do you deal with someone who is struggling in their beliefs? How do you deal with someone who is set in a belief that you know is Biblically wrong and potentially eternally harmful?**
- 5. What would you say if someone attacked your beliefs? How would you prepare yourself for that discussion?**
