News from Doka in Nigeria

I talked with our dear brother Doka this past week. He and his family were well but very threatened at this time. Powers rise and fall, and that is certainly the history of Nigeria. Today, the rising power is Islam and its intentional spreading over the country. Muslims want Islamic rule over the country, and they are killing, with little hesitation, those who are Christian. It is serious, and Doka and his family are in great need of our prayers.

We want God to protect them, but that is not the most important prayer we can plead to God for them. We need to pray that their faith stand firm, even though they are being forced to move, immediately. We need to pray for their faith in Jesus Christ to grow, even if their buildings are physically broken and burned. We need to pray that they will keep spreading the gospel, even if they die in service to our Lord. Romans 8.18 is the confidence we have. We need to pray that the Muslims will come to submit to God and Jesus Christ by hearing from Doka and those serving the Lord with him, so that souls are saved.

Keep on praying for Doka and his family. They are faithful servants of Christ.

Sack the Pulpit/Helping Hand Day

This year, instead of the normal Helping Hands Day, we have decided to do something similar to the Angel Tree. We will still have "Sack the Pulpit" and those bags will soon be available with the grocery list attached. They will need to be returned by November 15th. We will have a "drive thru grocery pick up" on Saturday, November 21st, for those in need. Along with the groceries, the families who need help with Christmas will receive a form to fill out and return it that day. The form will provide us with their children's ages and sizes. The forms will then be available to the congregation on Sunday, November 22nd so that we can adopt the families and help them with their needs for Christmas. Those who adopt a family will be delivering the gifts to their respective family in need, therefore you will need to make contact to work out the details on the best way to deliver the items. For those that want to donate money, please give that to the elders and that money will be used to purchase items for these families. If you have questions please see one of the elders.
