Today we will look at a text from Luke 14. We are going to study about half of the chapter. We will look at the verses 1-14 this morning and then we will conclude tonight with verses 15-24.

Jesus is going to supper with someone of his community. It is not just any someone, but it is a leader of the Pharisees. This is the only time that we find this expression "prominent Pharisee." We are listening to an encounter with an educated person. We are seeing how Jesus dealt with people of his position, as well as people of low esteem. Hopefully we will learn from this text today.

I hope that you will look openly. It is hard enough to hear the teaching of Jesus alone. Making application of that particular teaching is twice the battle. Pray before we begin this morning that God can help you to understand what is being said by our Master. It is Him you must follow.

Thank You

We wish to thank our church family for your kindness during the passing of my brother, Gene Comer. Gene was a quiet, loveable person. A faithful member of the church all his life. Your many beautiful cards and words of comfort are precious to me. Please continue to pray for Sherry and his daughters, Dawn and Holly. Our thanks especially for the gift to the Heritage Christian University in his name. We love all of you.
