The awesome responsibility of being a father has been laid upon countless men throughout the ages. Men continue to struggle, many becoming successful fathers, some not. One way that men can be sure that they'll do the best job possible when it comes to leading the family is to include God and His instruction. Nothing is more important than a godly father. Those of us who were blessed to have fathers that feared and served God, can easily see the great influence that we still carry with us every day. As we give tribute to our dads on Father's Day, let's be thankful for their wisdom and guidance that will continue to help us throughout the days and years of our lives.

"Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be upon your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up."
(Deuteronomy 6:5-7)
