Finally, be strong in the Lord and in his mighty power. Put on the full armor of God so that you can take your stand against the devil's schemes. For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Therefore, put on the full armor of God, so that when the day of evil comes, you may be able to stand your ground, and after you have done everything, to stand. Stand firm then, with the belt of truth buckled around your waist, with the breastplate of righteousness in place, and with your feet fitted with the readiness that comes from the gospel of peace. In addition to all this, take up the shield of faith, with which you can extinguish all the flaming arrows of the evil one. Take the helmet of salvation and the sword of the Spirit, which is the word of God. And pray in the Spirit on all occasions with all kinds of prayers and requests. With this in mind, be alert and always keep on praying for all the saints.

Eph 6.10-17

And may God bless US with the knowledge that we have been prepared for constant spiritual battle for the kingdom of God and of Christ. Do not be afraid.

Flood Relief

We will have a special contribution today for the Waverly Tennessee flood victims. Any money collected over our weekly budget will be sent to assist the churches in that area. We have spoken to three different churches in that area and they have identified how their money will be used. The money we send will be used to help in building repairs/construction, shelter for victims, and funeral expenses. A large majority of the people and churches affected by the flood did not have flood insurance. We will also send money out of our savings to assist in this effort as well.

Mexico Missions

"I would like to ask for your help if you are able to help me with \$200 or \$250. My dad a few days ago he felt bad yesterday I took him to do the covid test and it came out positive, I took him to the doctor and they prescribed injections, pills, but not only my dad also Jonathan his wife, Fernando, and my sister Kelly. Almost the whole family, I still feel good to this day. I need to buy the medicines, because my brothers have not been working for two weeks."

We received this message from Brother Mukul Choc this past week. This family are very faithful Christians and great Servants in the Kingdom in Mexico. A few from our congregation visited the local congregation in the Yucatán several years ago and met this family. This young man and his brother were students of the school Brother Gabino conducts in Torreón, Mexico. Both now are preachers doing a great Work in their home town of Tizimin in the Yucatán. It was decided to wire them \$300.00 to help with costs for medicine. Any funds they do not use will be shared with others to help purchase medicine. Keep their health in your prayers.
