"We are twice armed if we fight with faith." -- Plato

"Faith is the most powerful of all forces operating in humanity and when you have it in depth nothing can get you down." -- Norman Vincent Peale

"Faith consists in believing when it is beyond the power of reason to believe." -- Voltaire

"Faith sees the invisible, believes the unbelievable, and receives the impossible." -- Corrie Ten Boom

"Now faith is the assurance of things hoped for, the conviction of things not seen. For by it the people of old received their commendation. By faith we understand that the universe was created by the word of God, so that what is seen was not made out of things that are visible. And without faith it is impossible to please Him, for whoever would draw near to God must believe that He exists and that He rewards those who seek Him." -- Hebrews 11:1-3, 6

"Therefore, since we have been justified by faith, we have peace with God through our Lord Jesus Christ. Through him we have also obtained access by faith into this grace in which we stand, and we rejoice in hope of the glory of God. Not only that, but we rejoice in our sufferings, knowing that suffering produces endurance, and endurance produces character, and character produces hope, and hope does not put us to shame, because God's love has been poured into our hearts through the Holy Spirit who has been given to us." -- Romans 5:1-5

Hmm... I wonder what we are talking about this morning?

-- Scott
