We are so thankful that you are here to worship and study with us today. We pray that you will be uplifted and encouraged.

Please continue in prayer for Alex, Jeremy Barrier, and the rest of their traveling team as they are away from us for the next couple of weeks.

Today we look at our attitude towards Scripture. Whether we want to fully admit it or not, there have been points in our lives where we have openly ignored the lessons being taught in Scripture. Oftentimes it results in a painful lesson for us to learn and consequences that could have been avoided. If we truly are to grow in the grace and knowledge of our Lord (2 Peter 3:18), then we must take Scripture seriously. I pray that you will open your Bibles today and study along as we begin this important study.

Tonight we will examine a man who has very little written about him in Scripture, but a man who had an incredible impact on the world. Enoch is a man who garners only a few words in the Bible, but his story is one of steadfastness, faithfulness, and inspiration. Please plan to be back with us tonight as we start a series on Unlikely Heroes.
