Today we will study Psalm 118. I am thankful for this opportunity to examine this text about our Lord Jesus. We will look at the Psalm fully, then we will find some other places in the scripture where the Psalm is used by God.

I have left room on the handout so that you can make your notes on that page. We will quickly be able to see that this Psalm applies to Jesus, and that is the reason for our study today. It is important for us to understand these passages in the OT that lead us to Jesus' glory.

I would challenge you to memorize this short section that applies to Jesus so that when you are in conversation with your friend, you would be easily able to share this word from this Psalm about your Lord. Our text will say, "Blessed is He who comes in the name of the LORD" (26). That applies to your Master. People said it about Him. You must say that about Him too.

-Alex
