The first Bible that I am able to remember being given was a green NIV Bible that was given to us at Chisholm Hills church of Christ when we moved from Kindergarten to 1st grade. I took that Bible everywhere and to every service because I could not believe that someone had just "given" me a Bible and I did not have to pay for it. That Bible traveled to Arkansas, Texas, Oklahoma, Missouri, New York, California, Illinois, Kentucky, Indiana, Tennessee, Florida, and countless other places within the state of Alabama. That Bible traveled to Antigua, Barbados, Grand Cayman, Germany, and other locations all over the world. When I finally broke down and began carrying a different Bible, I put that Bible in a safe place. Now? That Bible sits on a shelf in my office here at church and serves as a reminder of how I felt as a child when the Word of God landed in my hands. The joy, the pride, and the dedication I desired to show to that Scripture have been at the core of who I am, who I want my family to be, and who I want this church to be for nearly 33 years. God's Word can do supernatural things when applied to willing hearts.

How do you feel about God's Word? When was the last time you picked up your Bible and felt joy, pride, and challenged to firm up your dedication? If it has been a while, then we pray that today is the next time for you... Pick up **your** Bible today and join us as we dig into the very words of God.
