I can remember many times that I attended Vacation Bible School with various congregations. Growing up in the Central Heights area, we attended VBS at the Macedonia congregation and the New Hope congregation. As we moved forward, we attended VBS at Chisholm Hills, Darby Drive, Florence Boulevard, and (probably) several others that I do not recall off-hand. Vacation Bible School has been a driving force of many mission efforts that I have been fortunate to be a part of all over the planet. Kids are so excited to attend VBS when we host this event every year and it is no different in Ecuador, Antigua, Barbados, Grand Cayman, the Dominican Republic, and countless other places.

There is something special about this event every year. The excitement that kids have for the songs, the classes, the crafts, and (yes) the snacks is infectious and exactly what many of us need to boost us through. While we grow in age, body, and mind, sometimes we need to be reminded of the joy that comes from having faith like a child. I would encourage every single one of you to attend our Vacation Bible School this week because it is **not** just for the kids, it serves as a reminder to every child of God that you are loved, needed, and can be overflowing with joy because of what God has done for you.
