I love my family who I miss deeply, my girlfriend, Emma, who is the most supportive and sweetest person I have ever met in my life, and I love my church family who has always been encouraging to me and my walk with Christ.

My brother and I are 10 months apart and we did practically everything together. One of the things I remember most is when I helped him with his lines for any play he did. My brother was involved in *Shrek the Musical* and the *Little Shop of Horror*; I was so amazed by the way he acted. Acting involves a lot of work with singing, dancing, and remembering lines. Same way with love. We tend to love people differently and that is the truth, but we need to, as Christians, know how to put our different types of love into action.

I am so blessed and glad you can join us today for worship and for our honored guests we invite you to stay for our Bible Classes and a fellowship meal and let us get to know you! We will also have an afternoon worship service at 12:30 and we invite you to stay for that as well!

Zaquan M. Kemp
