Today we are going to share a new step for this church. We are going to talk about a plan to be more of what God wants us to be. We want to think like God. He is concerned about souls, so we want to be concerned about souls. He loves people all over the world, so we want to love people all over the world.

Open your hearts today to hearing this challenge for work in the kingdom of Christ. You can absolutely be a part of what we are going to do. So, listen carefully, and being praying over this step.

Related to *this* challenge of work this morning, Wayne and Joey Barrier will be with us tonight! We eagerly anticipate the report from them of their good work, and we will have fellowship, during our ice-cream supper. Plan to come and hear the good work our brothers are doing. It will bless you.
