"Joy is the serious business of heaven." -- C.S. Lewis

"Earth has no sorrow that heaven cannot heal." -- Thomas Moore

"And though we don't know a great deal about heaven now, we can be sure its reality will exceed our wildest dreams. We will see the Lord, and we will see one another. And all of the mysteries will be solved." -- Greg Laurie

"I believe the worst regret in life is to miss the ultimate goal - our eternal home - Heaven. If we blow it on this single issue, nothing else matters." -- Robert Rogers

The world in which we live makes it very easy to become cynical. We see things happening and we become obsessed with how uncomfortable or irritating they make us. However, to the baptized believer that is living faithfully in Christ, our eyes are not focused on the temporal nature of this world, but rather on the eternal nature of heaven.

As we live, as we talk, as we walk, as we engage with others, do they know that we are living in view of heaven? Or do they hear from us a common, rundown, complaint-filled message about this temporary world?

Let's be about the serious business of heaven: joy.  
 Let's talk more about heaven.
