We are blessed to welcome Hiram Kemp to Rogersville this week for our gospel meeting. Over the years, Hiram has grown to be one of my favorite preachers/teachers because of his love for the Word of God and his love for the people of God. I am excited for our congregation here and hopeful that there will be those in this community who will be stirred by the preaching of God's Word this week.

For the past few years, congregations have struggled with whether or not to continue the "gospel meeting" model. Their reasons are typically as follows: "It winds up just being for us", "Our folks won't show up", or "We just don't know if there is fruit coming from them". It irks me to no end to think that congregations don't see the value in these types of events! We are so fortunate that our elders see the need for special events like gospel meetings, summer series, VBS, mission trips, EYC, ICYC, L2L, and others. It is in these events that additional teaching is found, different voices are heard, and unique encounters with God's Word are had. Pray for our meeting, pray for Hiram, pray for our community, pray for our congregation, and pray that there will be a revival and renewal in the spiritual lives of everyone involved this week.

I hope you will join us for every service and meal this week... but most of all, I pray that you grow spiritually as we study together.
