What a blessing this past week was! The opportunities we had to study with Hiram, fellowship with he and Nadia, and enjoy an encouraging/challenging week of lessons was truly a blessing. I am thankful for everyone who took part in the nightly meals, the nightly lessons, and for those who helped in any way this past week. Thank you!

Today we embark on a different path than I am used to when it comes to preaching. We are zeroing in on a particular 2 week section of the life of Jesus and studying His interactions and teachings. I pray that you will be involved in the study, encouraged by the study, and motivated to live a faithful life before God by the study. We have included all four of the lessons on the enclosed handout, so please encourage friends and family to join in our study.

God has truly blessed us here in Rogersville and I pray that we are taking advantage of every opportunity placed before us. The alternative (willfully ignoring the opportunities presented), puts us in a very precarious place and takes away our confidence. Pray for me... pray for your elders... pray for your family... pray for yourself... pray boldly that God will continue to grant us these opportunities to grow.
