Today we are going to study about not being ashamed. It will be a thrilling study, if you will go with me, where the word of God will lead your heart. If you can allow the scripture to set your heart, immovable, then you will leave with confidence in what it means to not be ashamed.

Tonight, we will talk about the mission work we are beginning in 2023! We will share some updates, and where we are, related to the development of the first trip. We will think about what to expect and not expect, as well as discuss some ways you can be preparing yourself in the next year to be able to go.

Get your scripture out. Get a pen. Be involved. Faith must be sought. It cannot be poured in. Seek first His kingdom and His righteousness (Mt 6.33). The verb seek, implies constant searching. Let's do that today, together. Amen.

Alex

We received a letter stating that Grace Ann Compton and Sam Compton received the Bible Award this summer at Camp Wiregrass.
