Mark 9:14-27

[14] "And when they came to the disciples, they saw a great crowd around them, and scribes **arguing with them**. [15] And immediately all the crowd, when they saw him, were greatly amazed and ran up to him and greeted him. [16] And he asked them, "What are you arguing about with them?" [17] And someone from the crowd answered him, "Teacher, I brought my son to you, for he has a spirit that makes him mute. [18] And whenever it seizes him, it throws him down, and he foams and grinds his teeth and becomes rigid. So I asked your disciples to cast it out, and **they were not able**." [19] And he answered them, "**O faithless generation**, how long am I to be with you? How long am I to bear with you? Bring him to me." [20] And they brought the boy to him. And when the spirit saw him, immediately it convulsed the boy, and he fell on the ground and rolled about, foaming at the mouth. [21] And Jesus asked his father, "How long has this been happening to him?" And he said, "From childhood. [22] And it has often cast him into fire and into water, to destroy him. But if you can do anything, have compassion on us and help us." [23] And Jesus said to him, "**If you can!** All things are possible for one who believes." [24] Immediately the father of the child cried out and said, "**I believe; help my unbelief!**" [25] And when Jesus saw that a crowd came running together, he rebuked the unclean spirit, saying to it, "You mute and deaf spirit, I command you, come out of him and never enter him again." [26] And after crying out and convulsing him terribly, it came out, and the boy was like a corpse, so that most of them said, "He is dead." [27] But Jesus took him by the hand and lifted him up, and he arose." (continued page 2)

(continued from page 1)

Look at the five phrases that are underlined in this passage we are covering today... when have you felt that way? What was the scenario that caused you to argue, doubt, lack faith, openly criticize, or openly beg for help to strengthen your faith?

Today we look at this moment with wonder as Jesus (once again) perfectly handles a seemingly impossible situation. What makes me think He cannot do it again through His word? -SW
