Tonight, we will be honored to have Carlos Hernandez to preach for us. He has served many of campaigns as the English translator. He worked with us in El Salvador, Nicaragua, and Panama. We also went to work with him and his family when we went to Honduras a couple years ago. So, make your plans to be here tonight! We will be able to project him up on the screen, with audio.

Today our lessons will share a theme about the new covenant. We will be studying this morning from 2 Cor 3. Carlos will be teaching us from Heb 8. God has given us something better under the new covenant. We encourage you to take up your scripture, and study along by taking good notes. You will be blessed if you will write down the ideas presented in our studies.

To God be the glory.

Alex
