There are topics in our world today that seem to elicit tremendous responses and emotion. Today, we will cover two of those topics and I pray that these will encourage you to know that if you stand with God's Word, you stand on the side of righteousness.

God has always been a protector of the innocent and has always condemned those who mistreat or harm the innocent. Therefore, it is obvious that His followers and His children would follow in His footsteps.

"Father of the fatherless and protector of widows is God in his holy habitation." -- Psalm 68:5

"Religion that is pure and undefiled before God the Father is this: to visit orphans and widows in their affliction, and to keep oneself unstained from the world." -- James 1:27

When it comes to the topic of divorce, there have been many sermons, articles, speeches, and commentaries written on the topic. Our study today, from the word of God, will simply be an examination of what Jesus said, what He taught, and what His apostles taught. When that is our aim and our structure, it eliminates the weight we oftentimes put on people's opinions.

May God bless our studies today and may we open our hearts, minds, and Bibles to learn more about how God expects us to represent Him.
