“No matter how devastating our struggles, disappointments, and troubles are, they are only temporary. No matter what happens to you, no matter the depth of tragedy or pain you face, no matter how death stalks you and your loved ones, the Resurrection promises you a future of immeasurable good.” -- Josh McDowell

The resurrection of Jesus Christ should be our talking point when it comes to why we believe so strongly. If there is no resurrection, then there is no hope. If there is no resurrection, then there is nothing to long for. If there is no resurrection, then our faith is in vain.

"And if Christ has not been raised, then our preaching is in vain and your faith is in vain. We are even found to be misrepresenting God, because we testified about God that he raised Christ, whom he did not raise if it is true that the dead are not raised. For if the dead are not raised, not even Christ has been raised. And if Christ has not been raised, your faith is futile and you are still in your sins." -- 1 Corinthians 15:14-17

But it is equally important to remember that without the crucifixion, there is no resurrection. Without the death of Jesus, we have no access to this beautiful reconciliation found in the resurrection of Jesus Christ.

“The cross is not the terrible end to an otherwise God-fearing and happy life, but it meets us at the beginning of our communion with Christ.” – Dietrich Bonhoeffer

The crucifixion opens the door to a complete and total revolution. Please join in for the next several weeks as we dig deeper into the revolution that began that day on the cross of Calvary. -SW

### Lauderdale Christian Nursing Home Service

LCNH needs someone to conduct services one Sunday in the month of July. Service usually begins at 2pm and lasts approximately twenty minutes. It consists of two songs, Bible reading, communion, and a five-minute sermon for 8-10 people. If you are willing to help with this good work, please see one of the Elders as soon as possible.

### Vacation Bible School

We need helpers for VBS. It is right around the corner (June 11-15) and we need you! Specifically, we need someone that would be willing to teach the lesson each night to the kids (15-20 minutes and you would teach the same lesson 4 times). Also, if we have anyone who would want to get us started each night and close us out each night. Please let Scott know how you can help!
