When you consider the term "revolution", what do you think of? Do you consider all revolutions violent or do you see them as something quiet and calm?

Many of us hear the term "revolution" or "revolutionary" and picture something in the political realm where a particular government engages in a battle for power with an underground, guerilla force. However, for something to be revolutionary, it need only be 'involving or causing a complete or dramatic change.' Therefore, the teachings of Jesus would certainly be classified as revolutionary because they demand that the person hearing them go through a dramatic change and it is intended to be a complete and lasting change.

This morning, we begin a four-part series on the revolutionary movements of Jesus that culminated with the cross. There is no way someone can take an honest look at the cross of Jesus Christ and not be moved to align their lives with what He represented. When I appreciate what Jesus did for me in that moment, I am dramatically and forever changed to look, speak, and act differently.

May we all be open to the revolution that must take place in our lives.

Lauderdale Christian Nursing Home Service

LCNH needs someone to conduct services one Sunday in the month of July. Service usually begins at 2pm and lasts approximately twenty minutes. It consists of two songs, Bible reading, communion, and a five-minute sermon for 8-10 people. If you are willing to help with this good work, please see one of the Elders as soon as possible.

VBS Kickoff

We will have VBS Kickoff, June 11 from 5-7 p.m. at Rogersville City Park. Chips and drinks are needed.

Vacation Bible School

We need helpers for VBS. It is right around the corner (June 11-15) and we need you! Specifically, we need someone that would be willing to teach the lesson each night to the kids (15-20 minutes and you would teach the same lesson 4 times). Also, if we have anyone who would want to get us started each night and close us out each night. Please let Scott know how you can help!
