The cadence we are pursuing is not one that is easy to maintain. It takes our time, effort, training, and attention to keep up. However, our Master Teacher understood that there would be times in our walk where we would need to stop, take a break, and refocus ourselves on what it is we are trying to do. There is a situation that comes up in Luke 10 where Jesus explains that very concept to a group of apostles who are certainly accustomed to a certain cadence by this time. Jesus uses a friend's experience to teach them (and us) a valuable lesson about sitting and listening.

Tonight we will have a period of singing and worship while also discussing how Lads to Leaders has been a blessing to us and our church family. After services this evening, we will be meeting in the annex to share some finger foods and consider the ways that we can sign our children up to be a part of this training tool. Please plan to stay and listen to what is going on with this program and look for ways you can help.

From Stan & Alison Hogan

Dear Brethren,

We have moved to the east side of Athens in order to be close to our parents, children and grandchildren. We plan to place our membership at West Huntsville Church of Christ in order to worship with eleven of our family members. We will start attending there on October the first, Lord willing. We have been so very happy here at Rogersville Church of Christ. Thank you so much for all the love you have shown to us. We will miss you and plan to visit back every time we can. May God bless you as you continue loving one another and shining your beautiful light in this community and around the world.

In Christian love, Stan and Alison Hogan
