THIS MORNING: We are able to live a life of joy and gladness because there was an empty grave all those years ago. We are able to survive the disappointments, sadness, discouragements, and pervasive negativity because our Savior lives to stand at the right hand of God and intercede for us. We are able to look at the end of our life as an "It is finished" instead of "I've had enough" because Jesus was brought forth from that tomb.

What would make God do that for us? The unquenchable love that God has for His children drives Him to prepare a place for us, to give us His Word to help direct us, and to give His only begotten Son to die upon the cross so we can be forgiven. To look upon God is to look upon grace, mercy, love, forgiveness, and comfort. He truly is the God of all comfort and we can take courage to face our days on this earth because of that fact.

THIS AFTERNOON: We will look at the final lesson in our brief study of Jeremiah entitled "Persevere in Obedience". This lesson looks into what Jeremiah had to go through and how he was able to get through it.

Please stay after and eat a meal with us and come back at 12:30 to worship with us!
