"And they devoted themselves to the apostles' teaching and the fellowship, to the breaking of bread and the prayers. And awe came upon every soul, and many wonders and signs were being done through the apostles. And all who believed were together and had all things in common. And they were selling their possessions and belongings and distributing the proceeds to all, as any had need. And day by day, attending the temple together and breaking bread in their homes, they received their food with glad and generous hearts, praising God and having favor with all the people. And the Lord added to their number day by day those who were being saved." -- Acts 2:42-47

The example of the church as discussed here is powerful and challenging. The church has become a victim of the consumer society that our world is swept up in. Too many of us arrive at church with the same focus as we travel to the grocery store -- we know why we are here, we get what we want, and we get out of there 'on time' to move on with the rest of our day/plans. The sadness of this thought is that too often we miss out on the beautiful familial relationships that are born out of time together, worshiping together, and bringing honor to God in front of those you are connecting to.

The question asked in this morning's lesson is 'What Brought You Here?' and the focus of this question is a challenge to the status quo of what church has become for too many. The church is not a building, the church is not a museum of saints, the church is not a country club, the church is not a task that must be completed... the church is a family that is growing together as they grow in faith. Please be here with us, grow with us, and let us all encourage each other.

We love you and are so glad you are here!

TONIGHT: Join us tonight at 5pm for singing night!

-Scott Wright

Sympathy

We express our sympathy to the family of Herbie Tollenaar of Michigan, nephew of Millie Goode. He passed away last week.

Fellowship Meal and Early Service

Next Sunday we will have our monthly fellowship meal followed by 12:30 afternoon service. Please bring covered dish, drinks, and desserts (enough for your family). We ask if your last name begins with A-M to please help serve and N-Z to help clean up.

Beth's Babies

Beth's Babies is an organization in Athens that is collecting new and gently used children's coats for the upcoming winter months. We are currently collecting size 2T up to a youth extra-large. We are also collecting warm blankets (small size) that could be used for infant car seats. There will be a donation box set up in the foyer for the month of September where you can put these items. If you have any questions, please see Audri Ragasa.

Annex Set Up

Based on our numbers each month, the majority of the congregation is loving our church eat church meals, along with the other occasions where we meet to fellowship, such as the upcoming ice cream supper, etc.

That being said, we are looking for individuals, couples, and families, to help with setting up the annex for our fellowships. Hopefully we will have enough to sign up that each person or family would only be responsible for the duties periodically. This would really help to spread this responsibility so that the same people are not setting up each month.

There will be instructions/guidelines located in the annex's kitchen closet, along with an updated calendar allowing us to see when the annex is available for set up. The serving and cleanup of the meals will remain the same, being based on the first letter of last name.

Please sign the list on the table in the education wing if you are willing to help. We hope everyone continues to enjoy the fellowships and the time together as brothers and sisters!
