**We're part of the family that's been born again; Part of the family whose love knows no end; For Jesus has saved us, and made us His own, Now we're part of the family that's on its way home.**

**When a brother meets sorrow we all feel his grief; When he's passed thru the valley, we all feel relief; Together in sunshine, together in rain, together in victory thru His precious name.**

**And sometimes we laugh together, sometimes we cry; Sometimes we share together, heartaches and sighs; Sometimes we dream together of how it will be; When we all get to Heaven, God's family.**

*("God's Family" -- Words and Music by Lanny Wolf)*

The family of God is the greatest family that could ever exist and it is awe-inspiring to consider that the invitation is open for all of us to join that family.

God desires for all men and women everywhere to be saved and to be His children. There is a knowledge that you must possess about your condition before God and an understanding of the commitment that you are making to Him and His family, but the door is open to everyone. That is to say, today is the day of salvation... today is the day to act... today is the day to come home if you have been wayward.

Join the family of God today. Re-join the family of God today. In it you will find everything that you feel you are lacking. --SW
