ROGERSVILLE CHURCH OF CHRIST
JANUARY 12, 2025

You have likely heard something like "minutes matter" or "every second counts." You often hear that phrase when it comes to times of crisis.

And just as a few moments matter in a crisis, and it only takes a few moments for something to devolve into a crisis, it also only takes a few moments to completely change someone's day for the good.

How long does it take to say the following phrases? "I love you.", "I'm sorry!", "I'm so proud of you!", "You mean the world to me.", "I have no doubt that you can do it!"

It only takes a moment to say words that could make the difference in a good day and a bad day for someone else. Yet, what we often fail to realize is that phrases like those and consistent expressions of love like those mentioned above don't just impact for a day.

So challenge yourself every day to express love and appreciation to the people around you. It only takes a moment to make an impact. We are only given so many moments in life and every moment makes a difference.

"Kind words are like honey--sweet to the soul and healthy for the body" (Proverbs 16:24).

"A soft answer turns away wrath, but a harsh word stirs up anger" (Proverbs 15:1).

"Therefore encourage one another and build one another up, just as you are doing" (1 Thessalonians 5:11).

"Anxiety in a man's heart weighs him down, but a good word makes him glad" (Proverbs 12:25).

Go out and make a difference this week...one moment at a time.
