Rogersville  
Church of Christ  
July 06, 2025

As I write this bulletin article, I am sitting in an empty mess hall. Campers are playing sports, counselors are helping them and cheering them on, and our kitchen staff is already preparing lunch (10:46am). Even amongst this quietness, it cannot be overstated the impact that this week has had on me and countless others. We have laughed together, cried together, spent a multitude of hours studying God's Word together, and sang praises that could be heard miles away. In these moments, it feels as though we are getting just a small taste of the glory that is to come.

With that being said, I wonder if sometimes the feeling is lost on us here at home due to the fact that we get to do this all the time? I cannot help but be curious, when was the last time you felt uplifted by the worship of God? When was the last time you were moved to tears at the sight of others worshipping God?

Have we become dull of hearing and devoid of emotion? The fear is not that our worship won't sound good, rather the fear is that our worship smells horrible to God because our attitudes and mentalities have made it rotten.

*"But thanks be to God, who in Christ always leads us in triumphal procession, and through us spreads the fragrance of the knowledge of him everywhere. For we are the aroma of Christ to God among those who are being saved and among those who are perishing, to one a fragrance from death to death, to the other a fragrance from life to life. Who is sufficient for these things? For we are not, like so many, peddlers of God's word, but as men of sincerity, as commissioned by God, in the sight of God we speak in Christ."*

2 Corinthians 2:14-17
