April 12, 2026

Lads to Leaders/Leaderettes is always a blessing to me and my family. For years, this event has promoted the healthy growth of spiritual leadership and camaraderie. This year we had the smallest group we have had since I began working here and our fewest number of younger kids participating. However, I will absolutely brag on our group as they pulled together and worked hard in these last few weeks to put together a puppet skit, speeches, songs to lead, and even amended their own schedules to be a part of this program.

With that being said, let me add:

To Nathan, Audri, Caroline, Bella, and Anna Beth Ragasa - Thank you! Your tireless work to see this program stay afloat, alive, and thriving is inspirational to me and so many others. Please keep up the great work! (Congratulations Caroline!)

To Brock, Leslie, Tanner, Emery, and Renee Owens - Thank you! While it may look different for you all each year due to the kids growing up and schedules changing, you have never wavered in your support and participation of this program. It is an encouragement to so many!

To Brad, Laura, Kiley, and Ada Durham - Thank you! I am grateful for your willingness to jump in and take part in these events and be so supportive of the other kids as they study and deliver the things they have worked on!

To Rachael, Cara Beth, and Tucker - Thank you! I am forever grateful to have a family that strongly desires to grow in their knowledge of the Word of God. It means so much to me to watch my children grow and develop in this program.

Finally, thank you to our elders for seeing the benefits of this program. To the families who have children from ages 3 to 18, please encourage your children to pursue this type of program (yes, even more than the travel ball team or "I don't wanna" phase). It will benefit them in ways you may not see immediately, but I guarantee will be present as they grow older.
