Why I Attend Polishing the Pulpit

Polishing the Pulpit has long been a place for preachers, elders, deacons, ministers, and members to connect and grow their knowledge. It also serves as a great place to get ideas for ministry, how to help others, and how to grow your local congregation. There are numerous 'tracks' for attendees to follow and there are always topics that are interesting and helpful to anyone who is present.

Ultimately, my attendance at this event every year boils down to a simple premise: at Polishing the Pulpit I am able to hear numerous lessons, fellowship with numerous people of a like faith, and spend time quietly contemplating how I want to move forward in my own teaching and ministry. I encourage anyone and everyone to try to attend a conference like this one because it is revelatory in how beneficial it is to get away from the day-to-day and focus on God's Word.

Thank you to our elders for seeing the importance in something like Polishing the Pulpit!

Fifth Sunday Contribution – August 30

All contributions over our monthly budget of \$50,000 will be donated to the Scotland Mission Work led by brother Adam Barr. They are currently in the middle of raising money for a building and have raised about 25% of the total. Banks in the United Kingdom do not lend money to non-profits so they must have 80% of the money in hand before beginning construction.
