Church of Christ

September 06, 2026

"Thus says the Lord, your Redeemer, the Holy One of Israel: "I am the Lord your God, who teaches you to profit, who leads you in the way you should go."

- Isaiah 48:17

There is a sense in which we are living in a daily struggle. Christianity, while worth exceedingly more than we could have here on earth, does not promote the easiest or most popular life. It can be difficult at times to have the faith that is needed to stand up under pressure or under direct attack. However, it is statements like the one above from the prophet Isaiah that help us to understand that God is our ruler, leader, director of steps, and will lead us into what is good in the end.

The 'good' may not arrive until after this life ends and we awake in eternal worship to our God, but nonetheless, the 'good' is coming for us to enjoy. Live as one who follows the lead of their Creator.
