"Worry is a conversation you have with yourself about things you cannot change. Prayer is a conversation you have with God about things He can change." — Unknown

How many times have you uttered "If I could just go back and change _____, I would be a happier person"? Or how about "I sure hope that thing that happened _____ years ago doesn't come back to haunt me"? Or maybe "My stomach is in knots about this situation, and I know I can't do anything about it, but....."?

In each of those cases, we are struggling with something that God has called us to rise above. Worrying is something that is spoken of throughout Scripture. Jesus stated "Do not be anxious (or worry)" in Matthew 6:25 & 34. Does this mean that we cannot be concerned about those who may be sick or struggling or hurting? Of course not, as that fulfills another commandment to bear one another's burdens. Worrying is something that we are told to avoid because it involves items that we cannot change or that are completely out of our control. However, when we are concerned about something, we must always remember that we have an Almighty God who is willing to listen to His children attentively.

"5b The Lord is at hand; 6 do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. 7 And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus." -- Philippians 4:5b-7

The Elders are pleased to announce Nathan Ragasa as our new deacon. We are thankful for his willingness to serve the congregation and ask that you keep him in your prayers as he takes on this important responsibility.

Friendsgiving

We are so excited for another year of "Friendsgiving" here at Rogersville church of Christ. It will be Monday, November 16th with plate prepping beginning at 4:00 P.M. There is a list posted at the three entryways for you to check and either add or take away names from.

We need your help! We need 5-6 crockpots of green beans, 100-125 rolls, and 8-10 people to fix brownies or cookies. We typically deliver around 150 meals that night, so we will need lots of help prepping plates (4:00 P.M.) and then delivery drivers (beginning around 4:30 P.M.). See Scott Wright with any questions.

Beth's Babies

The tote for collecting winter coats and small blankets for Beth's Babies remains in the main foyer. See Audri Ragasa with any questions.
